

ASSISTANTSHIP AND FELLOWSHIP APPLICATION

University of Washington
Department of Statistics, Box 354322
Seattle, Washington 98195-4322

You have expressed interest in being awarded a Graduate Service Appointment or Fellowship administered by the University. You may apply for one of these awards by completing this application form and then sending it to the Admissions Committee at the address above.

Appointment to a Teaching, Research, or Staff Assistantship or Fellowship is contingent upon admission of the student to the Graduate School prior to the beginning of his/her service or award. Continuation or reinstatement of an appointment is contingent upon good standing in the Graduate School as determined by the Dean of the Graduate School.

Assistantships ordinarily require participation on a half-time basis. Assistants are required to register each quarter for not fewer than ten (10) credits applicable to their advanced degrees. Stipend levels for assistantship appointments are published annually, while stipend amounts for fellowships vary. Conditions of service are also published and are available in our departmental offices and in the Graduate School.
